WORK EXPERIENCE

FREELANCE ANIMATOR (September 2025)

BRUT.Works

- Worked on multiple shots as both a fix animator and character animator for an advertising project using Maya and Blender.
- Communicated efficiently with team members remotely through Slack.
- Kept to an organised file system to allow for ease of navigation for coworkers.

FREELANCE ANIMATOR (May 2025)

AUB Student Project

- **Animator** – Animated a realistic kangaroo rig as an outsourced animator for a VFX integration student project.

BFX VOLUNTEER TEAM LEAD (2024)

Bournemouth FX Festival

- Led a team of 20 volunteers, organising schedules and managing team conflicts.
- Assisted a week-long FX festival across three venues, enhancing event flow and guest experience.
- Updated schedules and managed speaker check-ins, ensuring seamless event operations.

ANIMATION SOCIETY PRESIDENT (2023-2024)

Student Union Bournemouth University

- Elected President of a society that enhanced student satisfaction through tailored social and academic events in partnership with the NCCA.
- Acting as the face of the society with the ability to make all feel welcome, whilst maintaining an income to ensure the society's continued success.

PROJECT EXPERIENCE

Rodeo Moon (2025)

- **Director** – Led a team of four students over a nine-month period to follow a creative vision for a space western.
- **Animator** – Keyframe animated in MAYA utilising a USD pipeline to Houdini in realistic creature and character animation.
 - ***Siggraph Fast Forward Film Festival Official Selection (2025)***
 - ***CG101 Honourable Mention (2025)***
 - ***Scottish Youth Film Festival Official Selection (2025)***

Rock Pools (2024)

- **Director and Producer** - Led a team of five students over a three-month period. Organised schedules and workloads for all members, to deliver our film with time to spare.
- **Concept Artist** - Responsible for all preproduction including characters, assets, environments, colour script, and storyboard.
- **Animator** - Keyframed stylised animation in MAYA and setup scenes in Unreal Engine with sequencer.
 - ***Unreal Engine Student Showcase Official Selection (2024)***
 - ***Siggraph Fast Forward Film Festival Official Selection (2024)***
